**Communication pursuant to Rule 45 EPC**

Any European patent application comprising more than fifteen claims incurs, in respect of each claim over and above that number, payment of a claims fee within one month of filing the first set of claims (R. 45(1), (2) EPC).

The claims fees due (for the claims 16 to ) were not paid within the above-mentioned period. They may still be validly paid within a period of **one month** after notification of this communication. This period is not extendable. If only some of the claims fees due are paid, an indication must be given of the claims to which the payment relates.

If the claims fee for any claim is not paid in due time, the claim concerned shall be deemed to be abandoned (R. 45(3) EPC).

**The claims fee is currently**

**EUR for the 16th and each subsequent claim up to the limit of 50**  
**EUR for the 51st and each subsequent claim**

**Making payments**

For payments made via deposit account, please note that as from 1 December 2017 debit orders will only be carried out if filed in an electronically processable format (xml), using an accepted means of filing as laid down in the Arrangements for deposit accounts (ADA), published in the Supplementary publication in the Official Journal.

All relevant information related to the modes of payment of fees to the EPO can be retrieved from the EPO website at "**Making Payments**".

**Information concerning fee amounts**

Procedural fees are usually adjusted every two years, on even years, with effect from 1 April. Therefore, before making a payment, parties should verify the amounts actually due on the date of payment using the applicable version of the Schedule of fees and expenses, published as a Supplement to the Official Journal of the EPO, available on the EPO website ([www.epo.org](http://www.epo.org)) at [www.epo.org/schedule-of-fees](http://www.epo.org/schedule-of-fees). The "Schedule of fees" table allows the viewing, downloading and searching of individual fee amounts, both current and previous.

**Important note to users of the automatic debiting procedure**

Unless the EPO receives prior instructions to the contrary, the fees for all claims incurring fees will be debited on the last day of the period for payment.
