**Making payments**

For payments made via deposit account, please note that as from 1 December 2017 debit orders will only be carried out if filed in an electronically processable format (xml), using an accepted means of filing as laid down in the Arrangements for deposit accounts (ADA), published in the Supplementary publication in the Official Journal.

All relevant information related to the modes of payment of fees to the EPO can be retrieved from the EPO website at "**Making Payments**".

**Information concerning fee amounts**

---

Procedural fees are usually adjusted every two years, on even years, with effect from 1 April. Therefore, before making a payment, parties should verify the amounts actually due on the date of payment using the applicable version of the Schedule of fees and expenses, published as a Supplement to the Official Journal of the EPO, available on the EPO website ([www.epo.org](http://www.epo.org)) at [www.epo.org/schedule-of-fees](http://www.epo.org/schedule-of-fees). The "Schedule of fees" table allows the viewing, downloading and searching of individual fee amounts, both current and previous.

**Important note to users of the automatic debiting procedure**

Unless the EPO receives instructions to the contrary within the basic period for payment, either seven times the amount of the designation fee or the designation fees for those Contracting States indicated in the Request for Grant form (EPO Form 1001) will be debited on the last day of the period pursuant to Rule 39(1) EPC.
