Request for rectification of the designation of inventor (R. 21 EPC)

If request filed by applicant or professional representative

A request for rectification of the designation of inventor has been filed in connection with the above-mentioned European patent application. Please note that, under Rule 21(1) EPC, the rectification can be carried out only if the request is accompanied by the consent of the wrongly designated person.

If request filed by a third party

A request for rectification of the designation of inventor has been filed in connection with the above-mentioned European patent application by a person who is not the applicant or his professional representative. Please note that, under Rule 21(1) EPC, the rectification can be carried out only if the request is accompanied by the following documents:

1. the consent of the applicant;
2. the consent of the wrongly designated person.
