European patent with unitary effect

Decision to reject the request for compensation for translation costs under Rule 10(1) UPR

Your request for compensation for translation costs, filed with the European Patent Office on _____, is rejected because it does not satisfy the requirements set out in Rule 8 UPR and/or Rule 9 UPR.

The reasons for the decision are enclosed.

Means of redress

You can challenge this decision by bringing an action under Articles 32(1)(i) and 66 of the Agreement on a Unified Patent Court (UPCA) before the central division of the UPC within **two months** of service of the decision. You will have to pay a fee for this to the UPC in accordance with Rule 370 of its Rules of Procedure (RoP UPC). Your attention is also drawn to Rule 88 RoP UPC.
