

08.07.2025

**Communication from the Examination Board for the European qualifying
examination concerning paper D 2025**

In recognition of some delays experienced during paper D 2025 when loading the assignment in a separate tab, a proportional compensation relative to the marks achieved has been awarded to all candidates.

This compensation is based on 15 minutes cumulative delay for paper D overall and is already reflected in the marks communicated to candidates in their result letter.

For the Examination Board
The Chair

Jakob Kofoed
