

BUSINESSEUROPE

**Meeting of IP5 Industry with IP5 Heads
(Suzhou, 21 March 2015)**

- BUSINESSEUROPE represents national business federations in 33 European countries as well as companies who create jobs and growth in Europe;
- We welcome the opportunity to participate to IP5;
- Good progress has been made and good ideas for future work; However successful conclusion requires successful implementation of the commitments;
- We urge Offices to update Industry on when and how the various ongoing initiatives have been or will be implemented at each Office;
- Before new projects are started, implementation of existing commitments is key;
