Global PPH (GPPH)

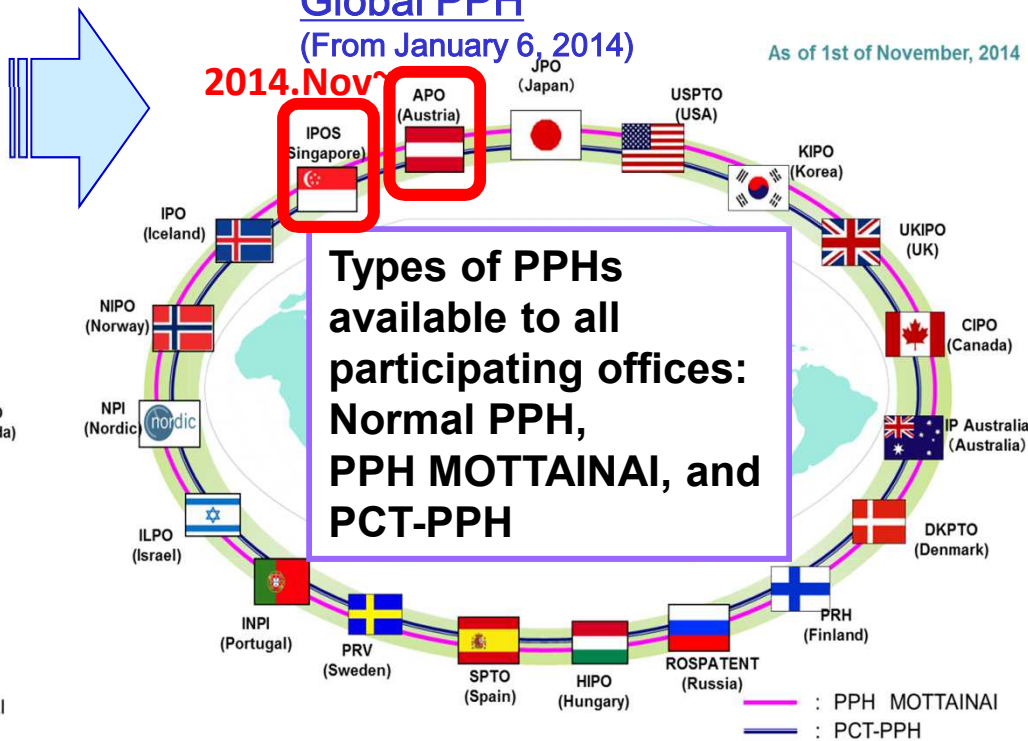

- The launch of a “Global PPH” pilot program within the framework of multiple countries: this program was created by making use of common factors found in the PPH. It commenced on January 6, 2014.
- The Global PPH pilot program enables participating offices to effectively use all types of PPH systems (Normal PPH, the PPH MOTTAINAI, and the PCT-PPH), enhancing user-friendliness.
- At Twenty-Second Session of PCT/MIA, no Authorities opposed that efforts should focus on enlarging the group of Offices participating in the Global PPH scheme.

Before launching Global PPH 17 offices at the start of Global PPH
