# Improving the IP5 website

# Improving the IP5 website

- At the first IP5 ICG meeting, 19 January 2017, participants considered how to improve outreach:
  - continue testing and improving the Asian machine-translated versions ✓
  - “delegates” section to share documentation before meetings with industry ✓
  - Global Dossier visible on the IP5 website landing page ✓
  - online training modules for Global Dossier section (like CCD) – [in preparation at the EPO](#)
  - feedback mechanism (moderated forum) on the Global Dossier – [open; EPO users have moderated forum for Espacenet & Register](#)
  - links from individual offices’ websites to IP5 website – [under consideration](#)

# Next steps?

- IP5 offices will fine-tune the proposed new section on the IP5 website
  - Goal: go live with new content in June 2018, in time for the IP5 Heads with Industry meeting
  - What links would IP5 Industry like to see on the IP5 website?
- *Any feedback and suggestions welcome!*

Thank you!
