Next ICG meeting

ICG Meeting
Feb. 2018

1ˢᵗ ICG meeting: Munich, January 2017

Objective:

– expand the consultation on non-Global Dossier technical topics
– ensure IP5 cooperation continues to develop in line with the users' needs
– Improve the efficiency of the IP5 cooperation

Outcomes:

– Industry's confirmation of establishment of ICG
– Industry's support for IP5 projects and activities
– a summary report on IP5 website
– main points of input from IP5 Industry for IP5 future consideration

● Topics/projects in different phases will be indicated for better understanding and inputs solicitation

topics / projects at Pre-starting phase :

– Solicit users' ideas / requests at the ICG meeting.

– Thorough discussion among IP5 offices after the ICG meeting.

– IP5 decide which requests can be carried and which ones can not. IP5 give responses to users' requests at the future ICG meetings or in other ways.

topics / projects at implementation phase:

– Updates on IP5 website and Reports at ICG meetings if necessary.

topics / projects at finalizing phase :

– Users provide evaluation and suggestions for further improvements.

3

– IP5 analyze user's feedback and make possible improvements.

● The purpose of each agenda item will be indicated as Status Report or seeking feedback from Industry

– For topics which seek inputs from Industry, specific questions will be included in the working documents

– Industry is encouraged to provide comments in writing before the meeting for IP5's better preparation.

– Industry's comments from the last ICG meeting will be responded at the next ICG meeting or in other ways.

● A proper timeline is proposed to be followed for meeting preparations.
