VIRTUAL SESSION  
4 MARCH 2022

# IP5 INDUSTRY FEEDBACK ON GLOBAL ASSIGNMENT

# BACKGROUND

- IP5 Industry thanks the Offices for their continued work on this project
- The global assignment is a priority for Industry
- Benefits include increased transparency, cost savings, and lessening administrative burdens
- Industry greatly hopes that progress on this project can be expedited

# THE PATH FORWARD

- IP5 Industry looks forward to receiving the comparison chart and plan for next steps
  - Industry would welcome a timeline and any questions for Industry, so that Industry may provide helpful feedback
- Industry suggests that technical work on the global assignment database might continue in parallel (e.g., at WIPO)
