Prior registration with personal name and mobile phone number is required before searching <http://cpquery.cnipa.gov.cn/>. Users can ask the EPO to request a user profile from CNIPA on their behalf. For details, contact asiainfo@epo.org.

LOGIN (AFTER REGISTRATION) AND SEARCH

The screenshot displays the CNIPA (China National Intellectual Property Administration) website interface. At the top, there is a navigation bar with the Chinese flag, the CNIPA logo, and a language menu: 中文 | Deutsch | Español | Français | 日本語 | 한국어 | Русский. The main title is "China and Global Patent Examination Information Inquiry". Below this, there are two main login panels. The left panel is titled "E-filing registration user inquiry" and contains fields for "account number" and a password field (represented by dots). It also has a "Login" button and a "Log in to public inquiries" button. The right panel is titled "Public inquiry" and contains a sub-section "Account login" with fields for "account number/Mobile Phone Number" and a password field (represented by dots). It also has a "Login" button. A red circle highlights the "account number/Mobile Phone Number" and password fields in the "Public inquiry" panel. A speech bubble points to these fields with the text: "1. Enter your UID (= mobile phone number) and password, CAPTCHA and click on «login»". At the bottom, there is a contact information bar with a phone number "010-62086383" and an email address "query@sipo.gov.cn".

SEARCH INTERFACE

The screenshot shows the SIPO search interface. At the top, there's a header with the SIPO logo and the text 'China and Global Patent Examination Information Inquiry' and 'China Patent Examination Information Inquiry'. Below this is a 'Patent information Inquiry' section. A tip states: 'The system allows precision search, search entries, i.e. name of invention, applicant name, etc. should have 9 or 13 digits, and it is not necessary to include letter "ZL", the symbol "." is not allowed'. The form includes fields for 'Application number' (containing '2010800136887' with a green checkmark), 'Patent Type' (a dropdown menu), 'Start Date of Filing' (a date picker), 'End Date of Filing' (a date picker), and 'Applicant(s)'. A 'Verification Code' field contains the number '8' and a CAPTCHA image showing '8+0='. Below these fields are 'Search' and 'Reset' buttons. A table at the bottom has columns for 'Application number', 'Title of Invention', 'filing date', and 'Main IPC'. Annotations include: 1. A box titled 'NUMBER INPUT:' with bullet points: 'CN201010177557.4 should be entered as 2010101775574', 'enter number without country code CN and without «ZL»', and 'only application numbers, not publication numbers'. 2. A box titled '4. Enter application number including check digit, but without "." (length of number: 13 digits!)' pointing to the application number field. 3. A box titled '5. Enter the verification code' pointing to the verification code field. 4. A box titled '6. Search' pointing to the search button.

NUMBER INPUT:

- CN201010177557.4 should be entered as 2010101775574
- enter number without country code CN and without «ZL»
- only application numbers, not publication numbers

4. Enter application number *including* check digit, but without "." (length of number: 13 digits!)

5. Enter the verification code

6. Search

NOTE:

titles and applicant names have to be entered in Chinese
title: truncation not possible; system searches only for exact term
date range: search only by date range is not possible; dates must always be combined with number, title or applicant name

ONLINE FILE INSPECTION

The screenshot displays the SIPO (State Intellectual Property Office of China) Online File Inspection interface. The top navigation bar includes the SIPO logo and three main sections: "China and Global Patent Examination Information Inquiry", "China Patent Examination Information Inquiry", and "Global Patent Examination Information Inquiry". A "register" link is located in the top right corner.

Below the navigation bar, there is a horizontal menu with several options: "Basic information", "about examination" (highlighted with a red box), "Payment Information", "Delivery Information", "Publication/Announcement Information", "Patent rolls", and "patent families information".

The "about examination" section is active, showing a list of "Application documents" on the left. The "Intermediate documents" sub-section is highlighted with a red box. A red arrow points from a text box to this section. The text box contains the text: "documents submitted by the applicant (amendments, written opinions etc.)".

The list of documents includes various dates and titles, such as "2011-09-26 the power of attorney", "2012-03-22 request for substantiv", "2013-02-08 request for extension", "2013-05-16 Comparison of amend", "2013-05-16 claims", "2013-05-16 written opinion", "2013-10-24 written opinion", "2013-10-24 claims", "2013-10-24 Comparison of amend", "2014-04-17 written opinion", "2014-04-17 claims", "2014-04-17 Comparison of amend", "2014-07-25 Comparison of amend", "2014-07-25 written opinion", "2014-07-25 claims", "2014-10-22 Comparison of ame", "2014-10-22 claims", "2014-10-22 written opinion", "2015-01-08 claims" (highlighted with an orange box), "2015-01-08 written opinion", and "2015-01-08 Comparison of amend".

Below the list, there is a section labeled "office action".

A text box at the bottom right of the document list states: "If the links are greyed out, the document is not publicly available".

On the right side of the document list, there are icons for zooming in (+), zooming out (-), and a folder icon. At the bottom right, there are icons for back and search.
