

CodeFest on Green Plastics

Event programme
23 February 2023

23 February 2023

14:00 Award ceremony

Moderator: Aliko Nichogiannopoulou, Director DNA, Peptide and Cell Biotechnology, EPO

Welcome to the EPO CodeFest on Green Plastics

Join us as we honour the finalists and announce the winners of this year's code challenge on Green Plastics.

Opening Address

Nellie Simon, Vice President Corporate Services, EPO

14.05 The solutions: Now is the time to shine!

The finalists will show how they rose to the challenge with their creative solutions, demonstrating how their models can help innovators learn from patent know-how on Green Plastics.
