HND Business year x 6 CBUS108F1A (PB) Operations Manager L5 x 4 CBUS023A1A/004 (VS) HND Computing x 5 (NM) International business x 16 (SK)

Outcomes and achievement

Ex: qualitative information , such as testimonials or success stories

Please see this link here to the shared summary as described on the Chichester college website

<https://www.chichester.ac.uk/news/detail/2025/02/13/chichester-college-hosts-successful-innovation-event/>

Recommendations

Ex: any recommendation for Future activities based on the Experience and outcomes of This grant-funded activity

I think it could be useful to extend the programme of an event like this and follow on project work to take and progress some of the ideas going forward.

Attachments: Any supporting documents (such as photographs, testimonials or other relevant materials) that help illustrate the activity's impacts and effectiveness should be sent to mchopinaud@epo.org. These supporting documents might be posted on the European Inventor Network webpage.
