## 1. Introduction

The EPO publishes on its website a [searchable database of professional representatives registered with the EPO](#) who are authorised to represent applicants in European patent proceedings.

A new and improved version of the database was launched [on 3 February 2025](#). The database contains standardised information for each professional representative, including telecommunication details if provided and approved for publication. Any preferences about inclusion in the database or publishing their business address no longer apply since 3 February 2025.

The **representative area** in MyEPO allows registered professional representatives to manage the personal and contact information that is published about them on the EPO website.

You can also delegate this to members of your IP support team.

You won't have access to your representative area until you have been entered on the list of professional representatives before the EPO. You can use MyEPO to request entry on the list. You can also request re-entry if you have been deleted from the list.

Company administrators can also use the **applications and patents** area of MyEPO to add and remove members of an association ([Rule 152\(11\) EPC](#)).

This feature guide explains how to use MyEPO to manage representative profiles and associations, and you can [read about the legal framework for professional representation](#) on our website.

We have also published some [frequently asked questions \(FAQs\)](#), and you can always get in touch with us at [epo.org/support](https://epo.org/support) or your key account manager if you're still not sure about something.

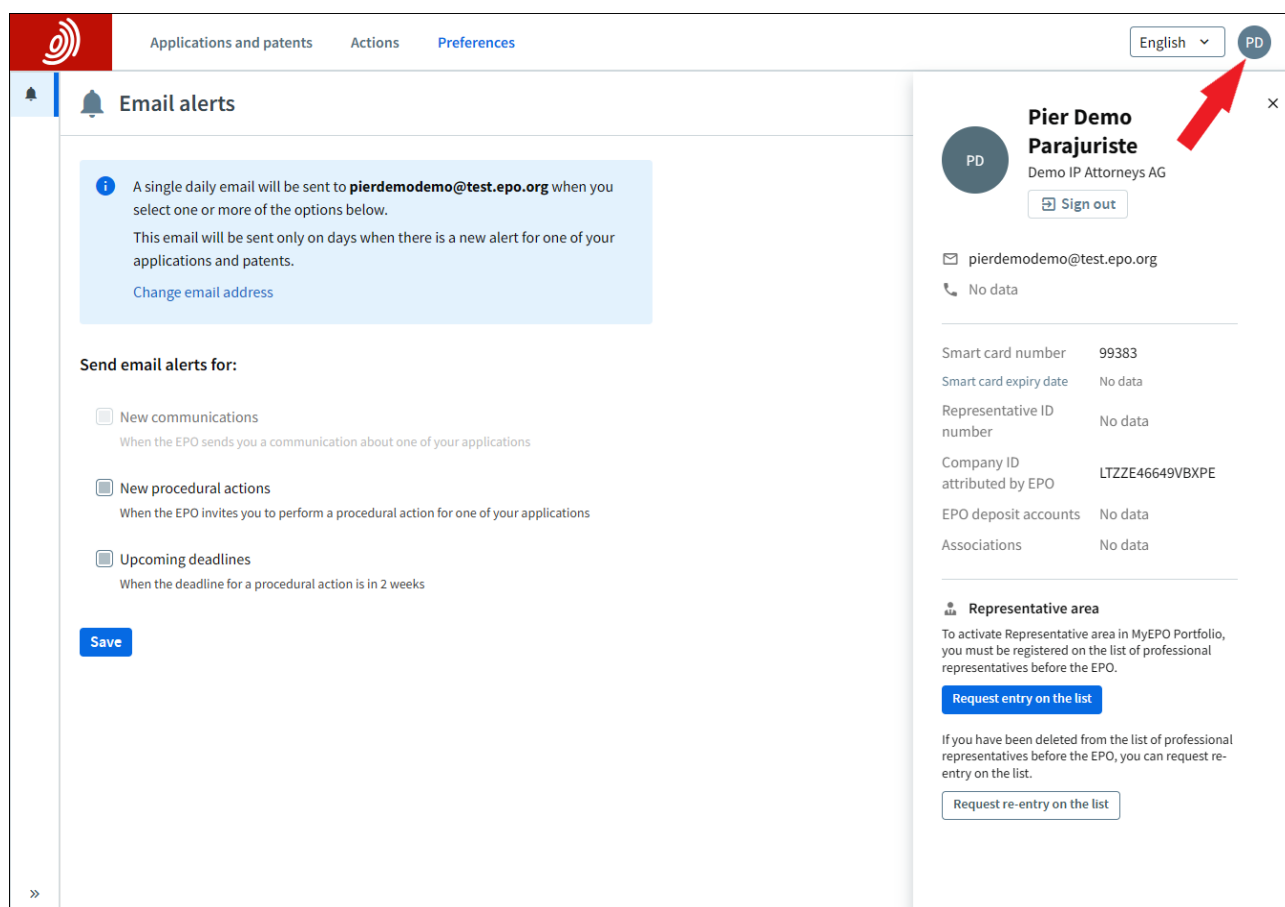

## 2. How to be entered on the list of professional representatives

You can use MyEPO to file your request for entry on the list of professional representatives registered with the EPO. This authorises you to represent parties in European patent grant-related proceedings under Article 134 EPC.

If your entry on the list has been deleted, you can also request re-entry on the list.

In both cases, first make sure you have access to MyEPO using your EPO account with two-factor authentication. If you are a new user of MyEPO, follow the instructions on the [Get access](#) page of our website.

To request entry or re-entry on the list, sign in to MyEPO and open your user profile by selecting the user icon in the top right-hand corner:

The screenshot shows the MyEPO user profile page. The top navigation bar includes 'Applications and patents', 'Actions', and 'Preferences'. The user icon 'PD' is highlighted with a red arrow. The profile information includes the name 'Pier Demo Parajuriste', company 'Demo IP Attorneys AG', and email 'pierdemodemo@test.epo.org'. The page also displays email alert preferences and a 'Request entry on the list' button.

Smart card number	99383
Smart card expiry date	No data
Representative ID number	No data
Company ID attributed by EPO	LTZZE46649VBXPE
EPO deposit accounts	No data
Associations	No data

Select the “request entry” or “request re-entry” option and a screen appears that will guide your through providing the information needed to submit your request.

The screenshot shows the 'Representative profile' page in MyEPO. The main heading is 'Request for entry on the list of professional representatives before the European Patent Office'. Below this is a progress bar with six steps: Section 1, Section 2, Section 3, Section 4, Section 5, and Review and submit. Section 1 is currently active. The text for Section 1 reads: 'Section 1: Request for entry on the list of professional representatives before the European Patent Office (EPO). I request entry on the list of professional representatives under Article 134 EPC. I fulfil the conditions prescribed by Article 134(2) EPC.' There are two input fields: 'First name' with the placeholder 'Enter first name' and 'Last name' with the placeholder 'Enter last name'.

Provide the information indicated in each section of the request and finally review and submit your request.

If you aren't sure about some of the information requested, please have a look at the FAQs on entry to the list of professional representatives. If that doesn't help, you can always send an enquiry to our support team via our contact form.

Your request will be handled by the EPO. If there is a mistake in your request, you will be notified by post and can correct the mistake in MyEPO.

Once your request has been processed successfully you will be notified. The next time you sign in to MyEPO as a registered professional representative, you will see the option to access your personal representative area through the main menu of MyEPO.

The screenshot shows the 'Representative profile of Robin Demo Representative' page in the MyEPO system. The page is part of the 'Representative area' and includes a 'Manage permissions' button. The profile details are as follows:

Representative ID number	9313000	
Date of entry on the list of representatives before the EPO	22.03.2024	
Name	Representative, Robin Demo	
Nationality	United Kingdom	
Preferred language	English	
Address	Demo IP Attorneys AG Berlinplatz 52 80340 München Germany	
Phone number	49 89 23992	

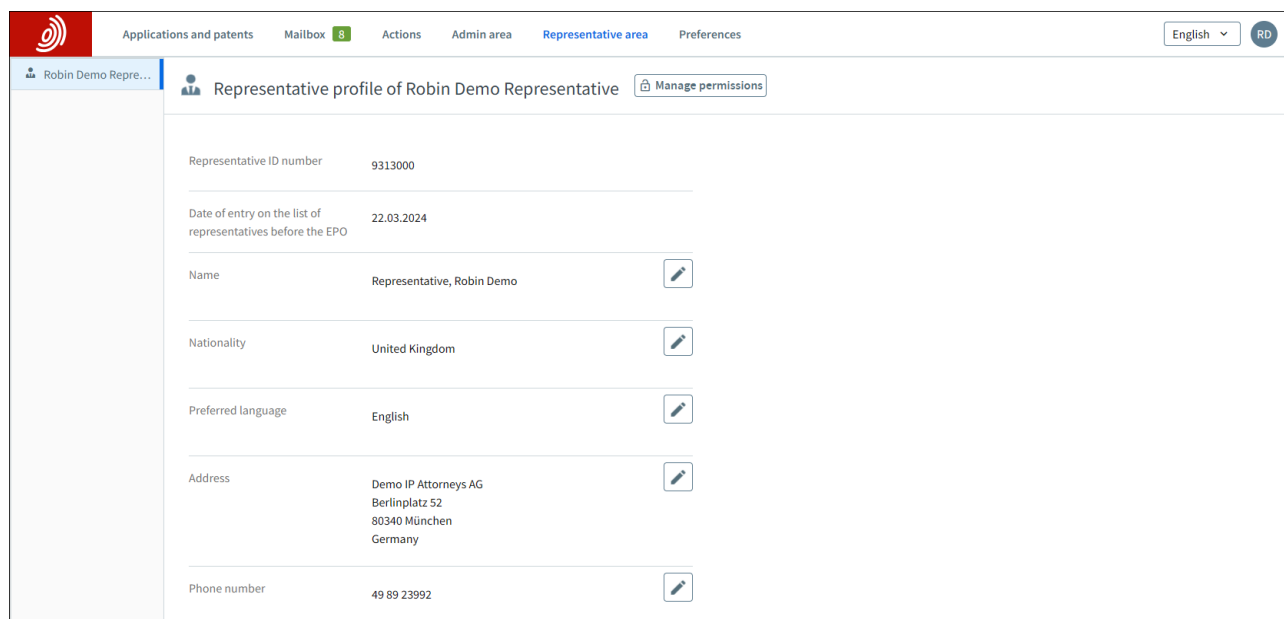

Once you have been registered on the list you can also delegate access to your representative area to other members of your company, by selecting the **Manage permissions** option. They will be able to edit information about your profile on your behalf.

### 3. Managing representative profiles

In your MyEPO “representative area” you can request changes to your representative profile and can request to be deleted from the list of professional representatives before the EPO.

#### 3.1 How to access the representative area

As a registered professional representative, you can access your representative area through the main menu of MyEPO.

The screenshot shows the MyEPO interface for a representative's profile. The top navigation bar includes 'Applications and patents', 'Mailbox 8', 'Actions', 'Admin area', 'Representative area', and 'Preferences'. The user is logged in as 'Robin Demo Representative' (RD). The main content area is titled 'Representative profile of Robin Demo Representative' and includes a 'Manage permissions' button. The profile details are as follows:

Representative ID number	9313000	
Date of entry on the list of representatives before the EPO	22.03.2024	
Name	Representative, Robin Demo	
Nationality	United Kingdom	
Preferred language	English	
Address	Demo IP Attorneys AG Berlinplatz 52 80340 München Germany	
Phone number	49 89 23992	

You can also delegate access to other members of your company by selecting the **Manage permissions** option. They will be able to edit information about your profile on your behalf.

#### 3.2 Request changes to your representative profile

Select any of the edit symbols on the screen to change your details. Follow the instructions to change the information and upload any supporting documents if requested.

At the bottom of the screen, indicate your preference for when the change should take effect, which can be as soon as possible or, in some cases, on a specific future date.

The screenshot shows the 'Representative area' of the MyEPO interface. The user is 'Robin Demo Repre...'. The form contains the following fields and options:

- Publication of phone number: Yes
- Publication of email address: Yes
- Publication of website URL: Yes
- Further information for internal purposes: (with an edit icon)
- Email address for receipt of personalised communications (not a shared address such as info@xxx.org) (optional): (empty)
- epi student number (optional): (empty)
- Date of change:
  - as soon as possible
  - or
  - with effect from: (with a date input field containing 'dd.mm.yyyy')

At the bottom of the form, there are two buttons: 'Request deletion from the list' and 'Request changes'.

When you are ready, select **Request changes** to proceed. After submission, you have the option to download a copy of your request.

In some cases, the change requested will take place automatically. For changes to your name, nationality and/or address, the request will first need to be approved by the EPO.

A message will appear at the top of the page informing you that your request has been submitted and the EPO is processing it. Requested changes will appear highlighted in colour on your profile screen until they have been processed.

A confirmation letter will be sent to your Mailbox or to your registered postal address.

Please note: the preferred date of change cannot be guaranteed by the EPO, so the actual date may be different, for example due to EPO holidays.

### 3.3 Request deletion from the list of professional representatives

You can request to be deleted from the list of professional representatives before the EPO, by scrolling to the bottom of the screen and selecting **Request deletion** and filling in the form.

You may indicate new contact details, and if your Mailbox is still active a confirmation of your deletion will be sent to the Mailbox.

The screenshot shows the 'Representative profile' page in the MyEPO system. The top navigation bar includes 'Applications and patents', 'Mailbox 647', 'Actions 294', 'Admin area', 'Representative area', and 'Preferences'. A language dropdown is set to 'English' and a user icon 'TT' is visible.

The main content area is titled 'Request for deletion from the list of professional representatives before the European Patent Office'. Below the title, there is a text area with the following content:

I request the deletion of my entry from the list of professional representatives under Rule 154(1) EPC.

I understand that, in accordance with Article 134a(2) EPC, my membership of the Institute of Professional Representatives before the European Patent Office (epi) will also cease on the date of deletion indicated below. I am also aware that I can request re-entry on the list of professional representatives under Rule 154(3) EPC.

Below this text are two links: [Article 134a\(2\) EPC](#) | [Rule 154\(3\) EPC](#).

The 'Date of deletion' section has two radio button options:
 

- as soon as possible
- with effect from:

 The second option is followed by a date input field with a calendar icon and the placeholder text 'dd.mm.yyyy'.

Below the date selection is a section for 'Alternative contact details (optional)'. It contains the text: 'I would like the EPO to use the contact details below – instead of the contact details in my profile – for any communication in relation to this request.' This is followed by an 'Address' section with a 'Company / organisation' label and an empty text input field.

A message will appear at the top of the page informing you that your request has been submitted and the EPO is processing it. After submission, you have the option to download a copy of your request if you wish.

Once your request has been approved by the EPO, you will be deleted from the list and no longer have access to your representative area.

### 3.4 Handle deficiencies in representative area requests

Sometimes the EPO identifies an issue or deficiency with your change or deletion request.

When this happens, a message will appear at the top of your representative area profile, and a pending representative area action will appear in the **Actions** area.

You can select the option to remedy the deficiency or choose to withdraw your request.

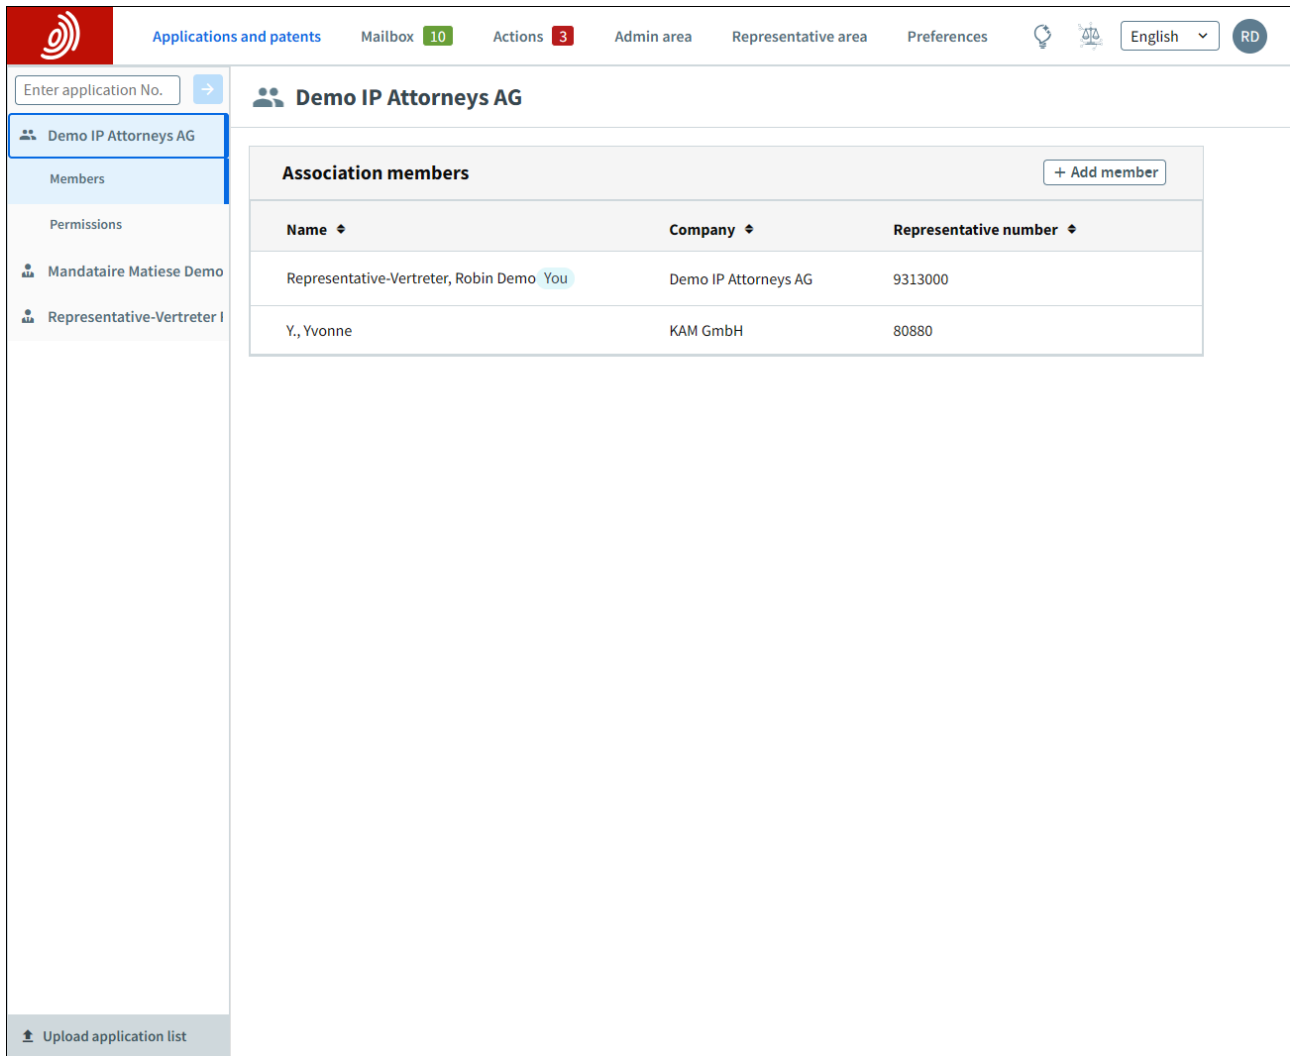

As always, all communications related to your request will be sent to your Mailbox or registered postal addresses.

## 4. Managing associations

Company administrators can use MyEPO to add and remove members of an association ([Rule 152\(11\) EPC](#)) provided the association has been added as a recipient in the Admin area of MyEPO.

As a company administrator, you go to the **Applications and patents** area from the main menu, select the association in question and select the **Members** option.

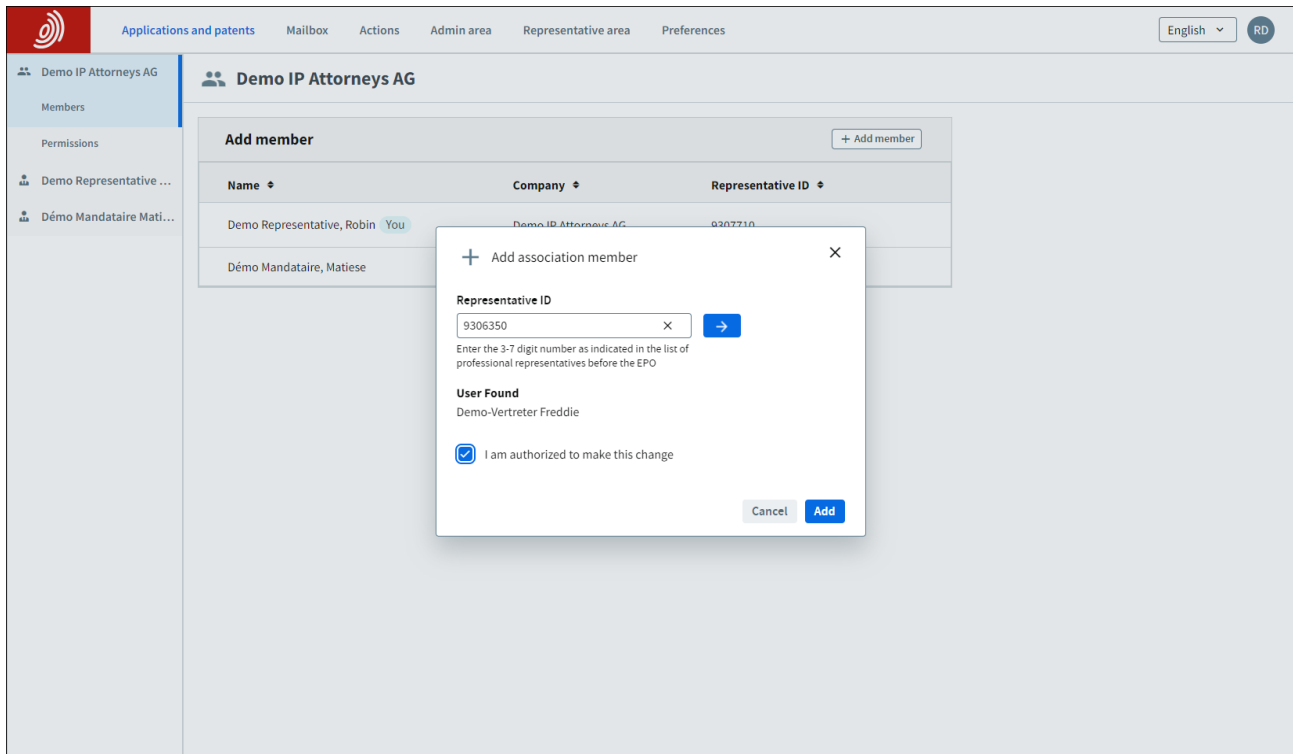

The screenshot displays the MyEPO interface for managing association members. The top navigation bar includes 'Applications and patents', 'Mailbox 10', 'Actions 3', 'Admin area', 'Representative area', 'Preferences', 'English', and a user profile 'RD'. The left sidebar shows a search bar and a menu with 'Demo IP Attorneys AG' selected, with sub-items 'Members', 'Permissions', 'Mandataire Matiese Demo', and 'Representative-Vertreter I'. The main content area is titled 'Demo IP Attorneys AG' and features a table of 'Association members' with a '+ Add member' button. The table has columns for 'Name', 'Company', and 'Representative number'. Two members are listed: 'Representative-Vertreter, Robin Demo' (marked 'You') with company 'Demo IP Attorneys AG' and number '9313000', and 'Y., Yvonne' with company 'KAM GmbH' and number '80880'. An 'Upload application list' button is at the bottom left.

Name	Company	Representative number
Representative-Vertreter, Robin Demo <span>You</span>	Demo IP Attorneys AG	9313000
Y., Yvonne	KAM GmbH	80880

## 4.1 Add a member to an association

Select the **Add member** button and enter the Representative number of the person you wish to add to the association. This can be any representative, whether or not they are a member of your MyEPO company. The name of the representative will be shown after you have entered the ID.

Before proceeding with the request, you have to confirm that you are authorised by both an existing association member as well as the person concerned.

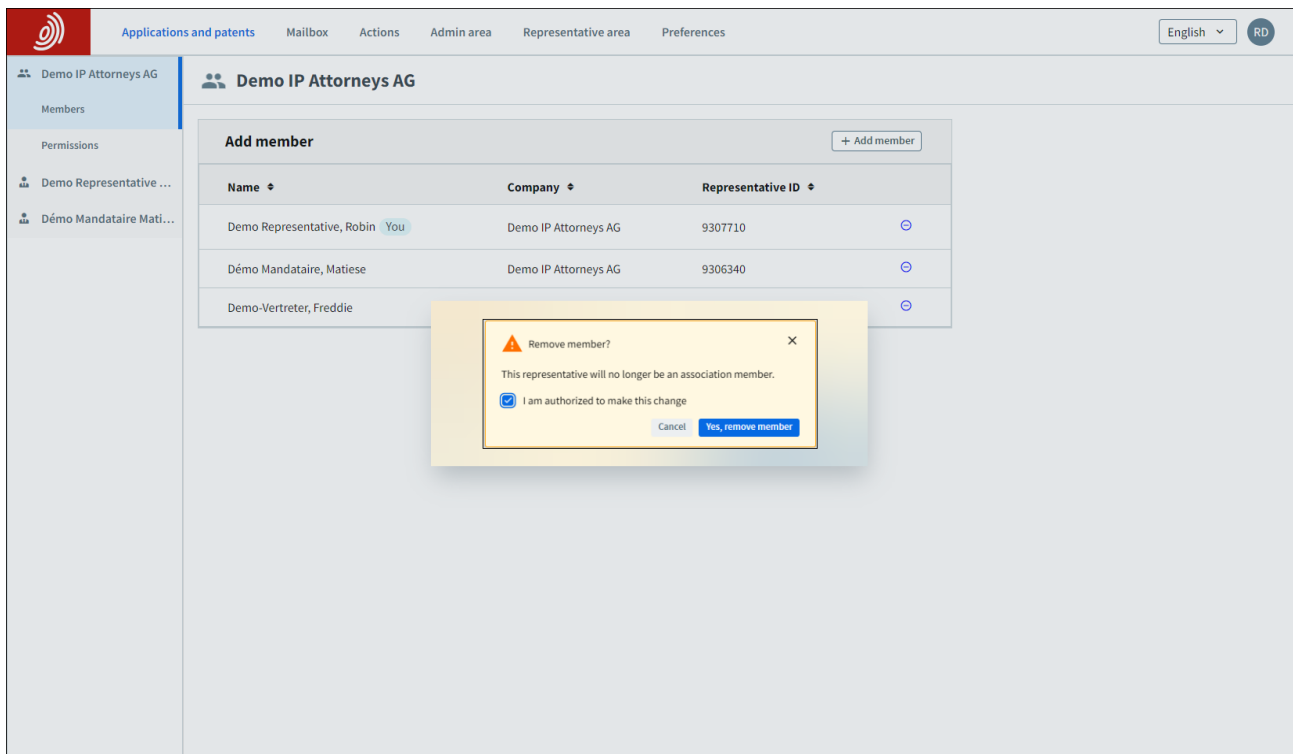

If you add or remove members of an association, a communication will be sent to your Mailbox (or postal address of the association if the association is not receiving communications electronically via the Mailbox) listing all additions and removals that took place that day.

The change takes effect immediately.

## 4.2 Remove a member from an association

Select the **deletion symbol** next to the name of the member that you wish to remove from the association. Please note: the deletion symbol will not appear if the association only has two members, since an association cannot have less than two members.

Before proceeding with the request, you have to confirm that you are authorised by both a remaining member of the association as well as the person concerned. In case you are unable to obtain such authorisation, please contact us at [epo.org/support](http://epo.org/support).

The screenshot displays the MyEPO interface for managing an association named "Demo IP Attorneys AG". The main content area shows a table titled "Add member" with columns for Name, Company, and Representative ID. The table lists three members: "Demo Representative, Robin You" (ID: 9307710), "D mo Mandataire, Matiese" (ID: 9306340), and "Demo-Vertreter, Freddie". A confirmation modal is overlaid on the table, asking "Remove member?" and stating "This representative will no longer be an association member." The modal includes a checked checkbox for "I am authorized to make this change" and buttons for "Cancel" and "Yes, remove member".

Name	Company	Representative ID
Demo Representative, Robin You	Demo IP Attorneys AG	9307710
D�mo Mandataire, Matiese	Demo IP Attorneys AG	9306340
Demo-Vertreter, Freddie		

If you add or remove members of an association, a communication will be sent to your Mailbox (or postal address of the association if the association is not receiving communications electronically via the Mailbox) listing all additions and removals that took place that day.

The change takes effect immediately.
