Your European Granted Patent has been submitted to the European Patent Office to be taken under legal protection on the territory of the Member States of the European Union. The publication of your European Granted Patent, which above lists the Title of the invention, Intern. Patent Classification, Application Number, Date of Publication Date of filling application and the number of the Patent document are basis of our offer to register in our private database website. Please note, the publication is not affiliate with the official European Patent Bulletin and is not a publication by a government entity. Your payment confirms this offer herein. Entry is valid for one year. The contract period starts when your payment has been received. This offer is not an invoice. You are under no obligation to pay the amount unless you accept this offer. We also refer to our terms and conditions under www.ioip.org. In case of refund request please contact us directly through our contact us feature of our website. Due to legal reason any attempts to contact the bank will not be processed and/or refused by the bank! The bank cannot refund any payments without our approval. The contract will automatically be renewed if you do not terminate the contract three month prior to the contract expiration.
